

The Franklin County Engineer is authorized to use County forces during 2015, for maintenance and repair projects involving County roads and bridges within limits established by the Ohio Revised Code (Engineer)

WHEREAS, the Franklin County Engineer, at the direction of the Board of County Commissioners of Franklin County, Ohio, is responsible for maintaining and keeping in good repair the Franklin County roads; and

WHEREAS, Section 5543.19 of the Ohio Revised Code recognized the reasonable necessity of using County employees, property and materials by force account for the normal maintenance and repair of County roads and bridges, and has established maximum cost estimates of thirty thousand dollars (\$30,000.00) per mile for roads and one hundred thousand dollars (\$100,000.00) for bridges and culverts; and

WHEREAS, Franklin County Engineer Dean C. Ringle, has requested authorization to proceed in the normal maintenance and repair of Franklin County roads and bridges during the calendar year 2015 with County forces; now, therefore,

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

That Franklin County Engineer Dean C. Ringle, is hereby authorized to maintain and repair Franklin County roads, bridges and culverts through the use of force account, as set forth in the Ohio Revised Code, and at costs not to exceed thirty thousand dollars (\$30,000.00) per mile for roads and one hundred thousand dollars (\$100,000.00) per bridge project.
